

Flip Me the Bird

Flip Me the Bird is a fun tag game. Designate a person to be "it." You may choose to designate more than one person to be "it" if the group is large. Use one or more rubber chickens. Anyone holding a chicken is safe from being tagged. However, if the person holding the chicken is being pursued by the person who is "it," the person who is "it" may count off three seconds (one Mississippi, two Mississippi, three Mississippi) and then the person being pursued must get rid of the chicken. Anyone being chased down needing a chicken for safety may yell out "Flip me the bird!" and hopefully someone will come to the rescue tossing a rubber chicken to him/her before he/she is tagged. If a person does get tagged, the person must raise one hand in the air and shout "I'm it!" while turning around 360 degrees before beginning to pursue others to tag.
