

HELEN HALLER HEART SONG

(by Laura Lorentzen & John Lorentzen)

Life can get you down, no doubt about it.
Trouble all around to push and crowd it.
Come, we'll let our music help to ease our mind.
The joy of harmony is what we're bringing.
Happy, cheerful songs are what we're singing.
Gather all around for one exciting time!

At Helen Haller, we rock!
And this isn't just talk! No, no, no!
We are gonna make this year the very best!

At Haller, we are a team!
We are more than we seem.
We will work and learn until it's time to rest.

With the Big 3, and Kelso's choices,
We will succeed - just hear our voices!
We are Kids At Hope right from the start!
Let's all do our part! Let's all do our part!
Here's a Haller Heart! 
Yeah!
