Helen Haller Elementary

## Letter from the Principal

Dear Helen Haller Families,

As our calendar nears the month of January 2021, I'm sure we are all excited to turn to a new year. Heading into winter break, I hope you all get a moment to reflect with your student about celebrations for the year 2020. There have definitely been challenges and I know when we take a good look, there is a lot to celebrate. At Helen Haller, we are celebrating: caring staff, teaching students to read, teaching students to do math, and new for 2020 is teaching each other and students how to navigate Canvas. We would also like to celebrate our hard-working PTO. They have continued their efforts towards raising funds to support students and special programs. This is an energetic and fun group so, check our website for their next meeting in January. We hope you'll join in the fun.

I'm hopeful for 2021. While I cannot foresee the future, I do know that here at Helen Haller we are excited to teach, see, smile, care for, interact with, have fun with, and have our students back on campus as soon as it is safe. We as a staff hope you can celebrate with joy over this winter holiday season. We very much look forward to seeing everyone soon! Happy Holidays!

Sincerely, *Mrs. Stanton*—Principal HHE
