Helen Haller Elementary

## Letter from the Principal

Dear Helen Haller Families,  
The best part of the 20-21 school year has definitely been having students back in the building. Our staff saw growth in students and loved every moment of teaching them in person and on campus. Thank you for sending them. Now that we are back to remote learning I'd like to encourage you to keep up the good work of logging in, checking in with teachers, watching videos and encouraging and helping your student(s) to do their work. Not only do we truly appreciate all of your efforts in these areas, the best part is it helps your student to continue learning.

If you are looking for some help with motivating or encouraging your student our school counselor, Jennifer Saul, has some helpful tips for you. Please feel free to reach out to her anytime at [jsaul@sequimschools.org](mailto:jsaul@sequimschools.org) or call 360-582-3200.

The Helen Haller Staff is truly thankful for your engagement with us in learning.

Sincerely, *Mrs. Stanton*—Principal HHE

## Hi-Cap Referrals

The Sequim School District announces an open referral process from **December 1 - January 31** for students currently in K-12 who may qualify for Highly Capable (Hi-Cap) Program services. Anyone may refer students, including but not limited to: teachers, parents/guardians, staff, friends, students, members of the community, however, parent/guardian permission will be required for testing. Please click on the links below to access the Hi-Cap referral forms from our District website.
