Helen Haller Elementary

## Letter from the Principal

Dear Helen Haller Families,

Our district has been working on reopening plans to have students back in person soon. If you were here in person in the fall I hope you will return when we are able. If you have been remote, I hope you will reconsider and come to school in person. If you have been remote and would like to return please let your classroom teacher know or you are welcome to call our front office and let Crystal or Kimberly know, 360-582-3200.

I hope that many of you will take the opportunity to enjoy the sunshine this weekend.

Take care,

*Mrs. Stanton*—Principal

## Hi-Cap Referrals

The Sequim School District announces an open referral process from **December 1 - January 31** for students currently in K-12 who may qualify for Highly Capable (Hi-Cap) Program services. Anyone may refer students, including but not limited to: teachers, parents/guardians, staff, friends, students, members of the community, however, parent/guardian permission will be required for testing. Please click on the links below to access the Hi-Cap referral forms from our District website.
