## Reminders

**STUDENT WELLNESS CHECK:** The student wellness check must be completed each day your child attends school in person. When you get that daily text reminder, take a moment to click on the link and answer the questions. If you need your Skyward parent login, please contact our office: 360-582-3200.

**OUT OF STATE TRAVEL:** If you plan to travel out of the state, please make sure to notify the office. **Current guidelines state that students who choose to travel outside of the state will need to quarantine for 14 days upon return and will not be able to return to in-person instruction until their quarantine is complete.**

Contacting the office will give teachers time to gather any work your student may need while they are in quarantine.
