Haller News

Dear Haller families,

Be on the lookout for more information from our PTO about the revised **Turkey Trot/Bunny Hop coming up soon**. They have been working hard to creatively make this event happen this year.

REMINDER: There is no school tomorrow, Friday, **March 5th** for both in-person and remote students; our teachers will be having a Professional Learning Day.

From The Nurse

All school students who choose to travel outside of the state will need to quarantine for 14 days upon return and will not be able to return to in-person instruction until that quarantine is complete.

Fully vaccinated individuals (those who have received 2 vaccine doses more than 2 weeks before travel commences) do not have to quarantine on return.

Dr. A. Berry, MD MPH of Clallam County Health and Human Services recommends against interstate travel, especially for unvaccinated individuals at this time as it poses significant risk of introducing increased COVID-19 activity and new variant strains into our community. We are requiring enforcement of these policies at the school district level as part of the suite of protections to keep our schools open for in-person learning.

Families must complete a HEALTH ATTESTATION daily before students arrive at school. For directions click here.
