Helen Haller Elementary

Letter from the Principal

Dear Helen Haller Families,

It was such a joy to see all of you picking up your materials bags on Sept. 2nd. Our staff were thrilled to see so many smiling faces and make a connection with students and their families. Thank you for taking the time to come by.

This week we had our first Microsoft Teams meetings with classroom teachers. We were able to see a lot of students interacting with each other, sharing about themselves, and learning how to operate in a remote meeting. Many teachers I spoke with shared how good students already were with logging on, raising their virtual hand and taking turns talking. Thank you for supporting your students in this remote learning.

I want you to know that we are all working hard to give your student the best learning experience we can in this virtual platform. I also know that technology can be challenging. Please reach out to your student’s teacher for help. Our front office staff are also well versed in how to help with logging in and navigating the different areas on Canvas.

One really big deal is attendance. Please take a moment each day to login to Canvas and click the attendance button to show you were here at school. Each time you are on Canvas it shares with the teacher how often you’ve been on. That counts towards your attendance at school. Students doing their work and getting back to teachers with it also lets us know you are attending school. If you have questions about attendance, please start with the classroom teacher. You are also welcome to email our attendance secretary at kbushy@sequimschools.org.

Looking forward to seeing everyone soon!

Rebecca Stanton - Principal
